We are excited and privileged to have the opportunity to help you raise those much-needed funds for your group. Thank you for choosing HolyBears®!

Persistence and Determination!

How high is High? Your job is not an easy task but we understand your commitment and dedication to maximize the results of this fundraiser. What could you ACCOMPLISH with an extra **\$400** or even **\$5000**? Maximum Participation and motivated sellers are critical for your success. You can have the best fundraiser in the world but if **only 25% of the people** you give a sales package to **participate**, just think of what you could have accomplished with that extra money if everyone participated!

Get Everyone Committed!

Simple steps to success:

SUCCESS TIP #1 - Help Set a minimum standard for each person who receives a sales package. ***Each sales package you distribute*** should be worth **\$50-\$75** in **PROFIT** for your organization. (Ex. 100 sales packages x \$50 = \$5000 profit!).

SUCCESS TIP #2 - DON'T TRY TO DO IT ALONE- Make sure you share the responsibility with parents or other staff members. Share your goals, your plan.

SUCCESS TIP #3 - Publicize your event or cause and let people know what the money raised is to be utilized for. Reinforce to your participants that the more you make with this Fundraiser the less fundraisers your group will have to do. This should be your most profitable Catalog program of the year!

SUCCESS TIP #4 - Take advantage of our wonderful incentive program to motivate your group!

Please review all the information provided and do not hesitate to call to make sure you have covered everything to maximize your sales and profits!
